

EXT. PARKING LOT - NIGHT

WHITNEY and STEPHEN are returning to their car after a movie date.

WHITNEY

I think she's unrealistic.

STEPHEN

You know, she's got some spunk.

WHITNEY

No, I think they would break her in half.

STEPHEN

OK, Maybe on the next date, you pick the movie then.

WHITNEY

Oh yeah, on the next date?

STEPHEN

Yeah.

WHITNEY

That's the 4th date. That's official.

STEPHEN

It seems to be going pretty well.

WHITNEY

Yeah?

STEPHEN

Am I the only one who thinks so?

WHITNEY

I think so.

They get to the car and stop getting close together.

WHITNEY

(reaching up to touch
Stephen's face)

You've got some popcorn...

STEPHEN

Do I actually have some popcorn

WHITNEY

(giggling)

No, I just wanted to touch your

face.

They start to lean in to kiss each other but get interrupted by MALLORY who is passing by in the passenger seat of a car.

MALLORY

Aww Yeah!

Whitney & Stephen are surprised as their kiss is interrupted before it began. As the car drives off, they awkwardly laugh it off.

STEPHEN

People are stupid.

WHITNEY

(laughing a little)

Yeah

They begin to kiss again but again are interrupted when the car reverses back in front of the couple.

MALLORY

Aww Yeah! Aww Yeah! Aww Yeah Yeah
Yeah!

Mallory is heard repeating the phrase as the car continues backing out of the scene. Stephen & Whitney are both visually irritated but trying to keep their cool.

STEPHEN

Do you know her?

WHITNEY

No, I though you knew her.

STEPHEN

No, I don't.

They awkwardly laugh it off and then go in for another kiss. This time the car comes up quick and stops right by them.

MALLORY

Aww Yeah!

STEPHEN

(angrilly)

Madame Please!

Mallory smiles in a creepy way starring at them from the stopped car.

WHITNEY

Don't do that!

STEPHEN
Why are you smiling like that?
Don't smile like that.

WHITNEY
Don't do that!

Mallory starts playing with the window, putting it up and back down as she says repeats the phrase.

MALLORY
Aww Yeah! Aww Yeah! Aww Yeah Yeah
Yeah!

WHITNEY
No, All the way up! No!

Mallory puts the window up and then starts breathing heavy on the window causing it to fog up.

STEPHEN
(fed up and disgusted)
OK, that is excessive!

WHITNEY
(offended)
Oh come on!

STEPHEN
(pointing forward)
Can you please move along?

Mallory uses her finger to write "Aw Yea" on the window and then smiles at them through the window.

STEPHEN
Can you please go?

WHITNEY
(offended)
ugh.

MALLORY
Aww Yeah.

The car quickly drives away.

WHITNEY
That was just... Why don't we go?

STEPHEN
Maybe that's a good idea.

They start to turn to get in the car when the car quickly drives by.

MALLORY

Aww Yeah!

WHITNEY

If we want to be...

The car quickly drives by again in the same direction as before seemingly breaking the laws of physics.

MALLORY

Aww Yeah!

STEPHEN

How is she doing that?

The car quickly keeps driving by again and again (in the same direction) with her saying the same words each time.

MALLORY

Aww Yeah!

STEPHEN

How in the world.....?

WHITNEY

What?

MALLORY

(driving by)

Aww Yeah!

WHITNEY

(trying to get a hold of herself)

We shouldn't let it bother us.

MALLORY

(driving by)

Aww

STEPHEN

Yeah, Let's just...

MALLORY

(driving by)

Yeah!

WHITNEY

It's seriously freaking me out.

MALLORY

(driving by)
Aww Yeah!

STEPHEN
No! This is witchcraft!

The car finally comes to a halt again in front of them.

MALLORY
(with her creepy smile)
Aww Yeah!

STEPHEN
(yelling)
Just shut up lady!

WHITNEY
(yelling at the top of her
lungs)
I swear I will beat you down if you
come within 100 feet of us again.

MALLORY
(in a sad voice)
Aww Yeah?

Whitney & Stephen are suddenly shocked by Mallory's hurt response.

MALLORY
(as if she's saying OK)
Aww Yeah.

She motions for the driver to move on.

MALLORY
(as if she's saying let's go)
Aww yeah.

The car begins to drive away as Mallory looks very hurt.

MALLORY
(as if she's crying)
Aww yeah.

The couple looks at each other again now that the car is gone.

STEPHEN
That's impressive.

WHITNEY
(feeling partly remorseful but
partly justified)

Well, she ruined our moment.

STEPHEN
(going in for a kiss)
No she didn't.

Right before they kiss, you see Mallory in the car over 100 feet away looking out the window with binoculars.

MALLORY
Aww Yeah! Aww Yeah! Aww Yeah!

Whitney can't take it anymore. She takes off running toward the car as fast you she can, leaving wide-eyed stephen by himself.

WHITNEY
No! No! No!

MALLORY
(as if she's saying get out of
here to her driver)
Aww Yeah!

Aww Yeah!

Aww Yeah!

FADE OUT
